Earl D. Woods Scholarship
2009 Application
EARL D. WOODS
Chairman in Memoriam, Tiger Woods Foundation

Earl Woods was the last of six children born March 5, 1932 to Maude and Miles Woods in Manhattan, Kansas. He attended Kansas State University, where he was a catcher on the university's baseball team and was the first African-American in the Big Seven (now Big Twelve) Conference.

Rising to the rank of Lieutenant Colonel in the U.S. Army, Woods served two tours of duty in Vietnam, where he met and befriended the original "Tiger," South Vietnamese soldier and friend Nguyen Phong, for whom his son is named. After his Army service, Woods was the materials manager of the Delta Rocket Program at McDonnell Douglas, until his retirement in 1988.

Although Woods did not play golf until he was 42 years old, he excelled at the sport and achieved a one handicap. His love for golf inspired his son, Tiger, who began imitating his father's swing before reaching his first birthday. Woods would continue to nurture Tiger's love for golf, serving as his coach and mentor throughout the golfer's amateur and professional career.

In 1996, Earl and Tiger Woods established the Tiger Woods Foundation (TWF), a non-profit organization dedicated to the education and empowerment of America's youth. TWF began its outreach through national grants and scholarships, junior golf clinics and public speaking engagements. Since its inception, TWF has grown to reach millions of young people through educational and character development programs.

"My whole life is about being positive. It's about dreaming, and then taking steps in your life to achieve those dreams. It is about overcoming obstacles and stereotypes such as bigotry and prejudice. Life is about giving and about sharing and caring for others, standing up and being counted for what you believe in, being a spokesperson and a role model, and being an inspiration." From "Playing Through: Straight Talk on Hard Work, Big Dreams and Adventures with Tiger" by Earl Woods.

The Earl Woods Scholarship program was created in 2006 to honor the vision and spirit of Earl Woods and continue his legacy of caring and sharing.
