HIGH SCHOOL baseball programs are self-sufficient with very little support financially from the school district. We have many boys who could not participate if it weren’t for financial assistance from our community and supporters such as you. We are making every attempt to improve our baseball program, from hiring Professional Coaches to improved equipment, uniforms and amenities. We want the whole community to be proud of Estancia High School and every student who wishes to participate the opportunity to do so.

Please visit our web page [www.estanciabaseball.com](http://www.estanciabaseball.com) to follow our Eagles and check out what’s happening.
